## "Faith and Nature"

Friday, August 20-Saturday August 21

The Episcopal Diocese of Arizona

Who should come?

- Members of parish green teams looking to share their experiences and learn from others.
- Clergy who wish to motivate their congregations to lighten their impact on creation.
- Vestry members and other parish leaders charged with the responsible stewardship of parish resources.

Participants will have an opportunity to:

- Build fellowship and community by sharing time together in discussion, prayer, fun, and enjoying the outdoors.
- Build ministry effectiveness at the parish level by sharing what's working and what's challenging.
- Expand awareness and usage of "The Green Bible."
- Experience the new Church Publishing curriculum **Faith and Nature: The Divine Adventure of Life on Earth**, an eco-friendly faith formation program to discover what God is up to in our relationships with the natural world and each other.

Your registration fee covers Friday night hospitality (plan to arrive by 7:00 p.m.), linen service lodging on Friday night, three meals on Saturday and all programming. An optional Saturday night stay, with continental breakfast and a special hike in the Prescott National Forest on Sunday morning, is also available. The Program Group has some funding to help parishes attend and begin implementing the ideas we will be sharing.
